## 1st Working Group Meeting: Translate Meschonnic

from 10 to 12 April 2019,  
at the University of Hildesheim.

### Description

As part of our project *Rhythm Concepts in Translation and Translation Studies*, which will amongst others include the translation of a theoretical work of Henri Meschonnic —*Politique du rythme. Politique du sujet*— we cordially invite you to the first working group meeting. We would like to exchange ideas with you about the challenges and possibilities of translating Meschonnic in order to advance the translation and edition of Meschonnic's writing that we are aiming for. Questions about style, terminology and intertextuality will certainly come to the fore.

### Organizational matters

The workshop will take place from Wednesday 10 April to Friday 12 April 2019 at the University of Hildesheim. The meeting is expected to begin and end at 13:00 h.
