

CONTENTS

PREFACE - xxi

FOREWORD - xxiii

PART I AN INTRODUCTION TO THEOLOGY

Chapter 1. THEOLOGICAL TRAINING

- a. The need for doctrinal formation: a consequence of our divine vocation - 1
- b. Reasons for this study - 3
- c. A special reason - 5
- d. Content of Theological Study - 8

Chapter 2. THEOLOGY AS A SCIENCE

- a. The object of theology - 10
- b. Source of theological knowledge: divine revelation - 12
- c. The believer uses reason in theology - 13

Chapter 3. THE PHILOSOPHICAL EXERCISE OF REASON AS INSTRUMENT OF THEOLOGY

- a. Spontaneous knowledge and philosophical knowledge - 20
- b. Continuity of all knowledge - 22
- c. Historical origin of theology: Christian Philosophy - 24

PART II INTRODUCTION TO CHRISTIAN PHILOSOPHY

Chapter 4. DEVELOPMENT OF PHILOSOPHY IN CHRISTIANITY

- a. Beginning of theology in Christianity - 27
- b. The original synthesis of St. Thomas Aquinas - 29
- c. Continuity of Christian Philosophy - 32

Chapter 5. DISPOSITION OF THE CHRISTIAN TOWARD PHILOSOPHY

- a. God and the natural truths of religion - 35
- b. Philosophy and the truths of the natural order - 36
- c. Christian Philosophy as a common cultural heritage - 37
- d. The help of faith not against the use of the intelligence - 38

Chapter 6. THE NATURE OF PHILOSOPHY

- a. History and etymology of the term - 39
- b. Wisdom as knowledge of ultimate causes - 40
- c. A wise man order everything in relation to God. - 41
- d. Wisdom as science - 43
- e. Philosophy and the other sciences - 44

Chapter 7. METAPHYSICS OR FIRST PHILOSOPHY

- a. The science of being as being - 46
- b. Substance and accidents, potentiality and actuality - 47
- c. Matter and form - 49
- d. God as the universal cause of being: essence and the act of being - 51
- e. The properties of being - 52
- f. Metaphysics and theology - 53

Chapter 8. OTHER ASPECTS OF CHRISTIAN PHILOSOPHY AND THEIR THEOLOGICAL RELEVANCE

- a. Metaphysics of man and sciences of man - 54
- b. Particular sciences are in need of metaphysics - 55
- c. Theological relevance of the metaphysics of nature - 56
- d. Metaphysics and logic - 57

Chapter 9. THE METHOD OF METAPHYSICS

- a. Philosophy begins with wonder - 59
- b. Science as the search for the universal and necessary - 60
- c. Intelligence and senses - 60
- d. intellect and absolute certainty - 62

- e. Intelligence and imagination - 64

Chapter 10. THE HISTORY OF PHILOSOPHY

- a. Metaphysics and truth - 62
- b. Cultural Relativism - 64

PART III METAPHYSICS

Chapter 11. GENERAL INTRODUCTION TO METAPHYSICS

- a. Metaphysics: the science of being as being -69
- b. The object of metaphysics - 70
- c. Being is analogical - 71
- d. The principle of non-contradiction - 72
- e. Importance of metaphysics for theology - 74

Chapter 12. THE STARTING POINT OF THE METAPHYSICAL ROAD

- a. Being to be, essence, existence - 75
- b. The starting point of metaphysics - 77
- c. Metaphysical progress - 77

Chapter 13. SUBSTANCE AND ACCIDENTS

- a. The evidence of change and the truth about being - 79
- b. The notion of being applies primarily to substance - 80
- c. Accidents: secondary manners of being - 82
- d. Substance and accidents related in three ways - 83
- e. The “*in esse*” of the accidents - 84
- f. Particular importance of relation - 84

Chapter 14. POTENCY AND ACT

- a. Simplicity of these concepts, gathered from experience of change - 86
- b. Motion as passage from potency to act - 86
- c. Other metaphysical insights of potency and act - 88

Chapter 15. THE ESSENCE

- a. Elucidation of terms essence, nature, concept definition - 89

- b. Essence and form - 91
- c. The principle of individuation - 94

Chapter 16. THE ACT OF BEING AND THE ESSENCE

- a. Ultimate structure of the finite subsistent - 96
- b. Predicamental and transcendental participation - 96
- c. The participation of being as basis of the analogy of being - 98
- d. Subsistent subject and person: activity follows being - 99
- e. Individual and person - 100

Chapter 17. THE ACTIVITY OF CREATED BEING

- a. *Esse* and nature as principles of activity - 102
- b. Application to the value of human life - 102
- c. Beings act according to their nature - 103
- d. Activity as the perfection of being: idleness and work - 103
- e. Transient and immanent actions - 104

Chapter 18. BEING AND CAUSALITY

- a. Elucidation of terms - 105
- b. Origin of the concept of cause: the four causes - 106
- c. Material cause and formal cause: theological relevance - 107
- d. The efficient cause: creation and causality - 108
- e. The instrumental cause - 110
- f. The final cause: cause of all causes - 111
- g. Direction to end; freedom and love: the order of the universe - 112
- h. Importance of the principle of causality - 113

Chapter 19. TRANSCENDENTAL PROPERTIES OF BEING

- a. Predicamental classification of essences and transcendental vision of being - 114
- b. Metaphysical discovery of the transcendentals - 115
- c. The unity of being - 115
- d. The truth of being - 116
- e. The goodness of being - 117
- f. The common good: law and justice - 118
- g. Evil as the absence of good - 119

- h. The beauty of being - 120

Chapter 20. CONCLUDING REVIEW OF METAPHYSICS

- a. The analogy of being and our knowledge of God - 121
- b. Natural and supernatural wisdom - 122

PART IV NATURAL THEOLOGY

Chapter 21. GOD IS

- a. Man can know God: natural and supernatural knowledge - 123
- b. Natural theology as highest achievement of metaphysics - 125
- c. Philosophy cannot ignore God - 126
- d. Reason is led to God - 126
- e. Reason not the only factor in our knowledge of God - 127
- f. Agnosticism is unreasonable - 127
- g. Importance of the rational demonstration of God's existence - 128
- h. Limits of the human knowledge of God - 129
- i. The problem of atheism - 130
- j. The principle of immanence - 131

Chapter 22. WAYS OF DEMONSTRATING THE EXISTENCE OF GOD

- a. Elucidation of terms - 132
- b. The first way: motion - 133
- c. The second way: activity - 135
- d. The third way: generation and corruption - 135
- e. The fourth way: perfection (a summary of metaphysics) - 136
- f. The fifth way: order and intelligency - 138

Chapter 23. GOD IS IPSUM ESSE SUBSISTENS

- a. The essence of God - 138
- b. The simplicity of God - 139
- c. The transcendence of God - 141
- d. The supreme goodness of God - 142
- e. How God should be loved - 143
- f. Immensity, immutability, eternity - 145

Chapter 24. DIVINE OPERATION

- a. God is personal - 146
- b. Divine knowledge - 147
- c. Divine will: God is love - 147
- d. Divine omnipotence - 148
- e. God as creator - 149
- f. God's presence everywhere - 150
- g. Divine freedom and providence - 151

PART V METAPHYSICS OF MAN

Chapter 25. INTRODUCTION

- a. Recapitulation: metaphysics as comprehensive knowledge - 153
- b. Object of the metaphysics of man - 155
- c. Spirit and matter: social sciences and physical sciences - 156
- d. Order and method of this study - 156
- e. Man as spiritual and corporeal creature - 158
- f. Human activity - 159

Chapter 26. INTELLIGENCE

- a. Overview - 160
- b. Nature and object of the intelligence - 161
- c. Process of understanding - 163

Chapter 27. SIMPLE APPREHENSION

- a. Understanding begins in the senses - 164
- b. Abstraction: from the sensible to the intelligible - 166
- c. Impression of the intelligible form on the intellect - 167
- d. The act of understanding - 167
- e. Characteristics of human concepts - 169
- f. Knowledge of the singular - 170

Chapter 28. JUDGMENT

- a. The operation of judging - 171
- b. Judgment and truth - 171
- c. Certainty and belief - 172
- d. Discursive process of reasoning - 172
- e. Self-knowledge, consciousness and reflection - 174
- f. Conclusion: knowledge as enrichment of being - 175

Chapter 29. THE WILL

- a. Nature and object of the will. The emotions - 176
- b. The good of man - 178
- c. The will and the last end - 178
- d. Natural inclination of the will as distinct from actual choice - 179
- e. Will and intelligence - 180
- f. Causality of the act of the will - 180
- g. The will and human behavior - 181

Chapter 30. FREEDOM

- a. What is freedom - 182
- b. Inner freedom and exterior freedom - 183
- c. Freedom of choice: determinism - 183
- d. The root of the freedom of man - 184
- e. Freedom and necessity - 185
- f. Freedom and the good - 186
- g. Free volition of evil - 186

Chapter 31. THE HUMAN SOUL

- a. Spirituality of the human soul - 187
- b. The soul as substantial form of the body: no reincarnation - 188
- c. The spiritual perfection of man - 189
- d. Origin of the human soul - 190
- e. Immortality of the human soul - 191

Chapter 32 THE PERSON AND HUMAN NATURE

- a. Nature as individuated - 192
- b. Person and personality - 192
- c. The place of the person in the universe - 193

Chapter 33. MAN IN THE WORLD

- a. The social nature of man - 195
- b. Natural societies - 196
- c. Man and history - 196
- d. Human work - 198
- e. The sanctification of work - 199
- f. Participation in divine action - 200

Appendix: CATHOLIC DOCTRINE ABOUT MAN - 202

PART VI ETHICS

Chapter 34. INTRODUCTION

- a. Metaphysics of the end and of the moral order - 205
- b. Free actions - 205
- c. Ethics as part of metaphysics - 206
- d. Ethical science and moral uprightness - 207
- e. Order of this study - 207

Chapter 35. GOOD AND EVIL

- a. The good - 208
- b. Participated beings have a good end or purpose - 209
- c. The final good moves beings - 210
- d. Evil as privation - 210
- e. Evil as deordination - 211
- f. Evil and freedom - 211
- g. Evil as such can neither move nor motivate - 212
- h. Physical evil - 212

- i. It is impossible for God to be the cause of evil - 213

Chapter 36. THE LAST END

- a. Existence of a last end - 214
- b. Identification of the last end - 215
- c. Natural last end and supernatural last - 216
- d. Possession of the last end: happiness - 217

Chapter 37. THE COMMON GOOD

- a. Proper good and common good - 218
- b. The common good of mankind - 219
- c. Love with order - 220
- d. The false philosophies - 221
- e. Ordination of beings to the common good - 223
- f. The common good shared in the order of the universe - 224
- g. Ordination of each single substance to the common good - 224
- h. Direct ordination of spiritual beings to the common good - 225

Chapter 38. MORAL LAW AND CONSCIENCE

- a. Eternal law and moral law - 226
- b. Characteristics of the natural law - 227
- c. Knowledge of the natural law - 228
- d. Content of the natural law - 229
- e. Moral sanction - 230
- f. Conscience - 231
- g. Principles guiding conscience - 233

Chapter 39. MORAL ACTS

- a. Will and freedom - 234
- b. Goodness and malice of human acts - 235
- c. Moral evil or sin - 236
- d. Types of sins - 237
- e. Effects of sin - 238
- f. Virtues - 239
- g. Types of virtues - 240

Chapter 40. SOCIETY AND THE COMMON GOOD

- a. Interrelations among men - 241
- b. Friendship and the love of God - 242
- c. What is society? - 243
- d. History and culture - 245
- e. Ordering of intermediate societies to civil society - 245
- f. Ordering of the person to the common good of society - 246
- g. Peace and war - 248

Chapter 41. THE FAMILY

- a. The nature of marriage - 249
- b. The common good of the family - 251
- c. Fundamental properties of marriage - 252
- d. Marriage and celibacy - 253

Chapter 42. GOVERNMENT, AUTHORITY AND LAWS

- a. Government and politics - 254
- b. Authority and obedience - 256
- c. Positive law - 257

Chapter 43. RIGHTS AND JUSTICE

- a. Nature of the juridical order: the juridical mind - 258
- b. Rights and duties - 259
- c. Private property - 260

PART VII HISTORY OF PHILOSOPHY

Chapter 44. INTRODUCTION TO THE HISTORY OF PHILOSOPHY

- a. Philosophy as instrument of theology - 263
- b. Overview of the History of Philosophy - 265

Chapter 45. THE HISTORY OF ANCIENT PHILOSOPHY

- a. The historical setting of Christianity - 268

- b. Plato (427-348 B.C.) - 269
- c. Aristotle (384-322 B.C.) - 272
- d. Neo-Platonism - 276

Chapter 46 THE HISTORY OF CHRISTIAN PHILOSOPHY

- a. There is a christian philosophy - 277
- b. The formation of christian philosophy - 279
- c. The contents of christian philosophy - 279
- d. St. Augustine (354-430) - 280
- e. St. Thomas Aquinas (1225-1274) - 283
- f. Decadence after St. Thomas - 285

Chapter 47. THE HISTORY OF MODERN PHILOSOPHY

- a. The Modernity movement - 286
- b. Humanism - 287
- c. Modern philosophy and the Church - 288
- d. René Descartes (1596-1650) - 289
- e. Immanuel Kant (1724-1804) - 292

Chapter 48. CONTEMPORARY PHILOSOPHY

- a. Overall view - 296
- b. Georg Wilhelm Friedrich Hegel (1770-1831) - 297
- c. Marxism - 298
- d. Other kinds of materialism - 300
- e. Existentialism - 302

EPILOGUE - 305

BIBLIOGRAPHY - 307

Appendix: Pope John Paul II's Address at the University of St. Thomas Aquinas,
Rome, November 17, 1979 - 311
