This volume contains xviii + 294 pages

PUBLISHER'S NOTE

The articles in this volume, as in all others in the Variorum Collected Studies Series, have not been given a new, continuous pagination. In order to avoid confusion and to facilitate their use where these same studies have been referred to elsewhere the original pagination has been maintained wherever possible.

Each article has been given a Roman number in order of appearance, as listed in the Contents above. This number is repeated on each page and is quoted in the index entries.
