

# Heute schon bei EWE

## #dasMorgenmachen

**Because digital energy trading can't wait any longer:** At EWE TRADING GmbH, we handle the energy trading activities of the EWE Group and act as the Group's interface to the wholesale markets for energy and natural gas and emissions rights (EUA and CER). Join our mission and our great team to grow with us.

## Junior/ Senior Short Term Renewables Trader (f/d/m)

for EWE TRADING GmbH, at the Bremen location.

### Your new position:

- You are responsible for (renewables) energy trading in the Intraday and spot market
- You will manage our Day Ahead and Intraday processes
- In addition, you are steering and monitoring trading strategies
- You take over the optimization and marketing of power plants and flexibilities on electricity and gas exchanges
- EWE's electricity schedules and gas nominations are part of your responsibilities
- Lastly, you are part of a 24/7 shift team that also works on weekends and nights

### Your profile:

- You have a very good degree in Industrial Engineering, Economics, Computer Science, Mathematics, Physics, Data Science or some other higher education
- Experience in the energy business, especially in renewables trading, is desirable but not a must
- You have your good programming skills, ideally Python, to clean, analyze and visualize data
- You have a very strong commercial mindset
- A good command of the German and English language, both spoken and written, is required
- Ability to work independently and also enjoy working in a 24/7 shift team
- Physical presence in Bremen is necessary for this role
- Applications from graduates as well as junior and senior professionals are welcome

### What we offer you:

- Competitive remuneration package and development opportunities with one of the leading energy companies in Germany
- Interesting and varied work in a motivated and performance-oriented team
- The opportunity to actively shape the further development of the trading activities of EWE TRADING GmbH
- Creative freedom in projects and tasks
- As a committed and future-oriented employer, EWE TRADING GmbH offers a high degree of personal responsibility, diverse training and further education opportunities in a professional environment, a good balance between work and private life and extensive social and health benefits
- Work with the most beautiful view over Bremen

### Contribute to our success story!

Please submit your application documents along with your desired salary, your earliest possible starting date, and the **EWE reference number 2680** through the [Online-Button](#).

### We're looking forward to meeting you!

We are committed to the integration of people with disabilities and therefore encourage them to apply. This position is open to people of all genders.

We emphasise diversity and reject discrimination. What's important to us is that you fit in as a person. **You're all that counts!**
